

MANGALISO TOURS
South Africa's unique historical and cultural tour experience

Come experience the Miracle of South Africa!

South Africa's peaceful transition from the brutal and oppressive apartheid system to a democratic society has been heralded as one the miracles of this great land.

South Africa's journey is too profound to be fully appreciated from a book. The **Miracle of South Africa Tour™** allows Travelers to experience South Africa's remarkable historical, political, and cultural journey. We designed the tour with the following in mind:

**“Tell me and I'll forget... show me and I'll remember...
involve me and I'll understand!”**

Experience South Africa through:

- direct experience with village and township life
- professionally guided tours
- conversations with relatives of South Africa's great heroes
- cultural performances
- talks from leading academics
- visits to historical sites

We made sure to include in the tour what makes South Africa one of the top tourist destination spots in the world:

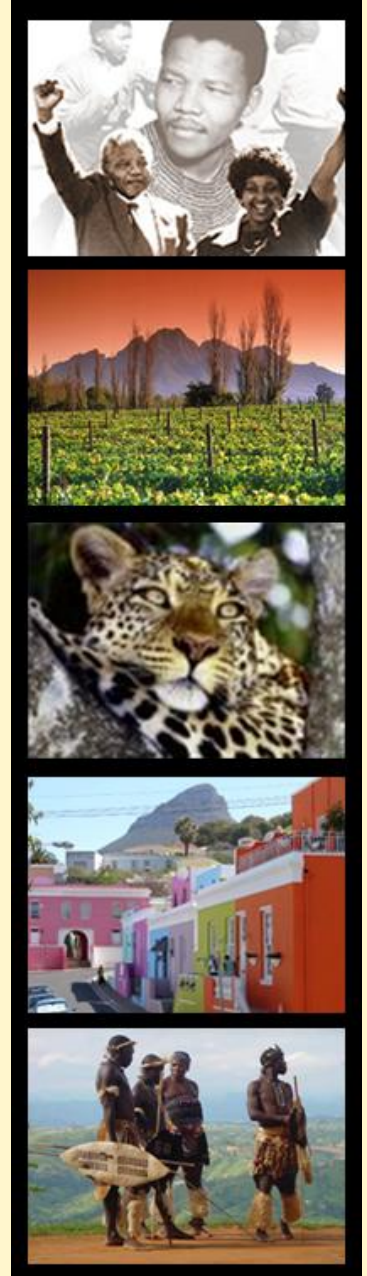

- the Big Five
- world-class beaches
- the breathtaking stretches of the Garden Route
- Cape Town's delightful waterfront
